Nov 10, 2014 (*Nov 9, 2014 to Dec 4, 2014*) Ven 3rd H.

Cooperative neighbors and agreeable relations with people in your immediate circle characterize this time period. It is an excellent time to make social visits, ameliorate old grievances, and make friendly overtures to others. Attending cultural events and taking short trips for pleasure and recreation are quite satisfying now.

Nov 14, 2014 (*Nov 13, 2014 to Dec 14, 2014*) Sun 3rd H.

This is likely to be a busy, active time in which telephone calls, errands, commercial transactions, and the business of everyday living takes much of your time. You are also somewhat restless and not inclined to long quiet periods of concentrated or solitary work. You tend to fritter away your time on inconsequential social activities, but this may not be all bad. Taking time to chat with neighbors and associates may result in more positive and smoother-running relationships.

Nov 20, 2014 (*Nov 7, 2014 to Jan 8, 2015*) Jup Sxtil Ura

Your life is very upbeat and progressive now. You enjoy jovial, spirited get-togethers and parties, and you feel optimistic and enthusiastic. Associates, co-workers, and other businesses that you conduct business with are now ready and willing to talk to you about making progressive changes. Contracts or agreements signed at this time tend to be fortunate, although they do lead to progressive changes that make people who want to hold onto the status quo unhappy.

You become very interested in progressive options in all phases of life, and you take an active interest in new ideas and inventions. You may also participate in social change which, perhaps surprisingly to you, is met with little resistance and considerable interest from the public.

Nov 23, 2014 (*Nov 22, 2014 to Dec 12, 2014*) Merc 3rd H.

Your intellectual curiosity and mental restlessness is high now and you may flit from one activity to

another or spend a lot of time chatting and socializing. Plan frequent outings and short excursions to satisfy your need to move about and to communicate.

This is a good time to take a field trip or to travel for business purposes.

Nov 25, 2014 (Nov 23, 2014 to Jan 2, 2015) Mars 5th H.

Your drive for self-expression is high now and you pour yourself into competitive sports and games, contests, auditions, and so on with great energy and zeal. You play hard and you play to win. All creative projects and interests will get an extra burst of energy.

Romantic urges also run high and you will actively pursue the one you desire. A love relationship is likely to intensify at this time.

Nov 26, 2014 (Nov 18, 2014 to Dec 5, 2014) Sat Sqr Sun

Frustrations, trials, and difficult, critical decisions are key issues at this time. Others are not receptive to your ideas and they do not express interest in your work. This is a time to increase efficiency and hold back the reins. If you have a business, for example, you probably want to cut down on advertising and slow down on expansion, or even cut down on production, employees, and expenses. Look for areas of waste and cut down in these areas. You may think that you should be doing something exciting and grandiose to stir up more interest in your services, but such measures are likely to only increase the problem.

Difficulties with employers or other authority figures may arise. For example, a new supervisor or colleague at your place of work may be rigid and authoritarian. Your first reaction may be a feeling of frustration and hopelessness. However, a slight change in attitude and approach can often benefit tremendously. By trying to keep a sense of humor and a hopeful attitude, you may find that you get along reasonably well with this person despite his/her personality and rigid policies. Also, some hard-nosed, objective reasoning about the situation may reveal some alternatives that you have overlooked. Perhaps you can transfer to a different department or assume different responsibilities that allow you to interact with this difficult person less often, and perhaps even enable you to focus more on the work you really want to do. Many of the obstacles you face now, although perhaps not obvious to you, test you to see what you really want to do with your life, and you need to focus your energies on the kind of work that is most meaningful to you and cut out anything superfluous.

At this time the frustrations can become so great that you may doubt whether the line of work you are in and the things you have been working for are really worth the trouble, and you may feel inadequate to meet the tasks at hand. You must continue to believe in yourself and maintain your commitments to the things that are really important to you. The old and useless things must be discarded. Unfortunately, only you can decide what is really valuable to you. Others will offer advice based on their own priorities and values, which more often than not, are different from yours.

Nov 28, 2014 (Oct 25, 2014 to Feb 14, 2015) Ura Trine Plu

Increased enthusiasm, zeal, dedication, and sense of purpose make this time period one in which you make great strides towards achieving your goals. The progress and advancement made now has more to do with developing inner talents and confidence than with outer, tangible benefits such as increased

salary, prestige, or recognition. Although improvements in your worldly situation may occur now, the emphasis is on tapping your deepest motivations and talents. You really tune into some of your unique talents and you can really blossom in your creative efforts.

Follow your instincts now because they are usually correct. You will feel an irresistible urge to incorporate new elements into your work, and you will spontaneously begin experimenting with ideas or subject material that previously has been foreign to you. The result of this new innovation is a much richer and more lively creative expression. Whether the activity is writing, painting, decorating, scientific investigation, or any other pursuit, you will find that you can pour more of yourself into your work and be more creative than ever before. This is the time to pour yourself into the things that are important to you; your very best work can be done now and you can accelerate your growth tremendously. The effects will also be felt as material benefits and tangible opportunities, but even more satisfying is the inner sense that you are progressing and growing in the areas that are really important to you.

Nov 28, 2014 *(Oct 8, 2014 to Dec 28, 2014)* Plu Sqr Ven

Romance and sexuality are the key issues now. Your sexual drive is particularly strong now, and you are driven by a strong need to achieve a deeper level of fulfillment in your love relationships. At times during this time period you are not able to constrain your compulsive feelings, and you are prone to dispense with reason, logic, rational judgment, ethics, and taboos.

Even if you are happily married, you will feel the need to make some changes in your relationship now. Your emotions run deeper now, and you seek greater emotional intensity with your mate. Many different issues can arise in a marriage now. Typically, one of the following changes occurs in either or both of you: more demanding and less easily satisfied with the other person, more romantic, more flirtatious, less conventional, or more possessive. Issues of jealousy and possessiveness are likely to arise. The nature of the issues and changes that arise now depends on the changes needed in the relationship. Underlying all of these changes is the need for greater closeness and greater romantic and sexual fulfillment. The emotions and drives that arise now usually arise without any apparent reason. This is a time of compulsive and irrational emotional drives! Avoid the tendency to be secretive. You may try to hide your feelings, repress your feelings, or develop extramarital affairs without your spouse's knowledge. Lying and hiding things from others only builds another layer of complexity onto the complex feelings that you are dealing with, and you will eventually regret your lack of honesty and openness.

If you are not married or deeply involved with someone, it is likely that a love relationship will begin now. However, because your romantic and sexual drives are so strong, you may allow yourself to become involved with someone that you find attractive but are not compatible with on an intellectual level and with whom you share few interests and tastes. Try not to settle for this kind of compromise in your love relationships because you will later be faced with the predicament of unraveling the bonds you have formed, which is likely to be more difficult than you would imagine now.

Nov 29, 2014 *9 AM(Nov 28, 2014 to Nov 30, 2014)*Sun Sxtil Mars

Your vitality and courage are strong now and you are eager to meet challenges. You can accomplish a great deal of work, especially if it involves physical effort. If you are active in sports, you will be especially competitive and vigorous now. Self-confidence is high.

Nov 29, 2014 *7 PM(Nov 29, 2014 to Nov 30, 2014)*Merc Trine Sat

The emphasis is now on long-range financial planning, thinking about future security, and formulating strategies to achieve your ambitions. Your ability to study quietly, to concentrate on complex mental work, and to think deeply about serious matters is much better than usual. This is a good time to organize your affairs and also to seek professional advice about your concerns.

Nov 29, 2014 9 PM(Nov 28, 2014 to Nov 30, 2014) Sun Sxtil Nep

Today you feel less competitive and ambitious about practical and mundane matters. The world of imagination, fantasy, art, music, or mysticism is very appealing to you now, and if you have talent in any of these areas, this can be a creative and fruitful time for you. However, the negative possibilities for you now are being undisciplined, slack, indefinite, or wasting time and energy.

Nov 30, 2014 2 PM(Nov 29, 2014 to Dec 1, 2014) Sun Trine Merc

If you are a writer, teacher or student or are involved in any intellectual work, this is a positive time for you: ideas flow and it is easier than usual to express your thoughts. Also, this is a good time for buying, selling, negotiating, and communications of all kinds.

Nov 30, 2014 7 PM(Nov 29, 2014 to Dec 2, 2014) Mars Qucnx Sun

Accidents including burns or cuts are possible now, mostly through your own rashness, headstrong behavior, or over-heated foolishness. You are apt to feel aggravated but unable to pinpoint the cause or reach a clear-cut solution. Circumstances may prohibit the direct action you would like to take. Beware of venting your tension on children or subordinates.

Dec 2, 2014 12 PM(Dec 1, 2014 to Dec 3, 2014) Merc Sxtil Mars

You are eager to discuss your thoughts and plans with others at this time and you may have a very fruitful brainstorming session, a spirited debate, or a very active meeting with others in which things really get accomplished. You are verbally assertive and can present your own plan or idea quite convincingly.

Dec 2, 2014 7 PM(Dec 2, 2014 to Dec 3, 2014) Merc Sxtil Nep

Your ability to concentrate on mundane concerns and problems diminishes now. The world of imagination, fantasy, entertainment, or art holds more attraction for you. Go to a movie with a friend (or write your own!). Also, your psychic sensitivity and intuition are heightened at this time. You are more impressionable and open, but somewhat less precise and clear mentally.

Dec 3, 2014 7 AM(Dec 2, 2014 to Dec 4, 2014) Merc Trine Merc

Conversations and sharing plans and ideas with others are very fruitful now. You understand what others are telling you, and you make yourself clearly understood also. This is a favorable time for getting your message across to others via writing, speaking, or advertising.

Dec 3, 2014 10 AM(Dec 2, 2014 to Dec 4, 2014) Ven Qucnx Moon

You may not feel very social, but friends or social commitments pull you away from home. Alternately, you may want to go out and enjoy some time with your friends or do some light socializing, but you are needed more at home right now. There is an uneasy balance between your loyalty to your family versus your friends or other pleasurable interests. It is an either/or situation and probably something has to be sacrificed temporarily.

Dec 4, 2014 2 AM(Dec 3, 2014 to Dec 5, 2014) Sun Sxtil Ven

Your relationships are especially affectionate and friendly at this time, and you may benefit socially or materially through an opportunity offered to you by a friend. This is a good time for parties, social gatherings, and other pleasurable activities.

Dec 4, 2014 3 AM(Dec 3, 2014 to Dec 5, 2014) Ven Oppos Ura

You are prone to act erratically in your relationships. A sudden infatuation or an impulse to break free or make radical changes in a current relationship is likely. Also, a taste for the unusual and unconventional emerges. You may find yourself enjoying things you never thought you would like.

Dec 4, 2014 1 PM(Dec 3, 2014 to Dec 5, 2014) Ven Oppos MC

This is an excellent time for home improvements, particularly those which enhance the appearance and beauty of your living space. Decorating or rearranging furniture in order to create a more harmonious and pleasing arrangement is favored. Relationships with your family are very satisfying and loving, and you may also wish to invite company into your home. The role of gracious host or hostess suits you very well right now.

Dec 4, 2014 (Dec 3, 2014 to Dec 28, 2014) Ven 4th H.

At this time you will want to make your home more pleasing, comfortable, and beautiful, perhaps by doing some artistic decorating or landscaping or buying something which will give you and your family much pleasure. You feel very kindly and affectionate toward family members, and you may do some entertaining or invite friends in to enjoy your hospitality, as well.

Dec 4, 2014 1 PM(Dec 3, 2014 to Dec 5, 2014) Ven Sqr Asc

You are a peacemaker now since harmony in your environment seems more important than ever. Loving relationships, giving and receiving affection, and attracting people into your life who are good for you are very likely at this time.

Dec 4, 2014 7 PM(Dec 3, 2014 to Dec 5, 2014) Sun Trine Plu

This is an excellent time to eliminate whatever is unnecessary and outworn in your life from clutter and disorder in your environment to an unhealthy relationship or even a long-held attitude or belief which keeps you from going after what you really want in life.

You are also more perceptive than usual. You see other people's true colors more clearly and you may discover a secret or the hidden aspect of some situation.

Something lost, hidden, or forgotten may come to light.

Dec 5, 2014 (Nov 13, 2014 to Jan 2, 2015) Jup Sxtil MC

Cooperation and assistance in business relationships is high now and, consequently, significant growth and progress in your career is likely at this time. Communications and contacts in business and professional circles open up, with opportunities to expand your services and professional involvements. Take advantage of these opportunities because they will prove to be very beneficial. There is no need to take risks so avoid wild speculation; a very positive avenue for growth is available to you now. This growth and progress in career is very personally fulfilling and rewarding because the work is meaningful to you, not just a means of making money. Consequently you feel good about yourself and this spills over into a happy attitude towards your family. Improvements in your domestic life are also likely. Do not sit back and watch this influence pass you by; you may feel so comfortable that you do little to take full advantage of the opportunities.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Dec 5, 2014 (Nov 13, 2014 to Dec 11, 2014) Jup 12th H.

This is a very positive time of healing, renewal, and rejuvenation on an inner, spiritual, or psychological level. Times of introspection and solitude are very beneficial now, and they will set the stage for blossoming and outward success later on. You may also be drawn to charity or volunteer work at this time.

Dec 11, 2014 (Nov 13, 2014 to Jan 2, 2015) Jup Sxtil MC

This astrological influence (Jup Sxtil MC) also occurred on Dec 5, 2014 (peak date). Please refer to this date.

Dec 21, 2014 (Nov 19, 2014 to Jan 19, 2015) Plu Qucnx Plu

Areas in which you are compulsive, driven, obsessed, fanatical, addictive, or excessive and extreme will create much difficulty now. Deep, penetrating self-analysis and the willingness to release old forms will be needed. A preoccupation with death and loss arises at this time also. Losses due to power struggles or a need to control outcomes or other people could occur. Subtle insubordination or erosion of power may also occur.

It is a time to fundamentally change your focus and emphasis in life and to let go.

Dec 22, 2014 (Nov 17, 2014 to Jan 24, 2015) *ura oppos ven*

Love relationships at this time go through a lot of changes. It is difficult to say how things will end up when this astrological influence is over, but they are guaranteed to be different. Your relationship may undergo a kind of rebirth, or you may separate from each other.

If you are not involved in a romantic relationship now, you will almost certainly have at least some short-term affairs now. You will very much want to be involved in a love relationship at this time, and you will have relatively little difficulty in drawing attractive people of the opposite sex to you. Intense attractions are likely to form, and you may even decide to marry at this time. However, the marriage will be successful only if there are lots of interests in common. If the other person has some personal habits or traits that are uncomfortable for you, then it may be best to delay marriage since even though these traits are not extremely annoying to you now, they will become more significant problems later.

Your romantic and sexual nature is very excitable now, and you feel an intense need to have a fulfilling and exciting love partner. If you have gotten into a rut with your partner, then you both will be thrown out of the rut now. Try not to be unreasonable in love relationships. You may lose patience with inadequacies in the other person and not give him/her a chance to break old habits and change. If you are married, you may be tempted to become involved in extramarital affairs or flirt with others when your spouse is not around. Dishonesty is not the best policy; you must find a way to have your romantic inclinations met without having to be devious.

For many couples, a good way to start this time period off is by sharing more exciting times together - going out more, vacationing, traveling, socializing, partying, and exploring new subjects or interests together. Adding more spice to your romantic life, such as candles, cards, flowers, perfumes, and more time to be together often sparks the love that has dimmed through the years, and possibly ignites an intensity of feeling and desire between you not experienced before.

Dec 26, 2014 (Nov 7, 2014 to Jan 8, 2015) *Jup Sxtil Ura*

Your life is very upbeat and progressive now. You enjoy jovial, spirited get-togethers and parties, and you feel optimistic and enthusiastic. Associates, co-workers, and other businesses that you conduct business with are now ready and willing to talk to you about making progressive changes. Contracts or agreements signed at this time tend to be fortunate, although they do lead to progressive changes that make people who want to hold onto the status quo unhappy.

You become very interested in progressive options in all phases of life, and you take an active interest in new ideas and inventions. You may also participate in social change which, perhaps surprisingly to you, is met with little resistance and considerable interest from the public.
