Given below is a brief interpretation of your birth chart. The major themes in your life are described. The themes are presented approximately in the order in which they are a priority in your life. In other words, the themes which are most important are, in general, described near the beginning of the report, and the less important themes are described towards the end of the report.

Each astrological influence described in this report is a resource available to you. It is up to you to express these energy patterns in the best possible way. It is possible to repress, block, or try to avoid issues, or to fight yourself; hopefully this report will help clarify issues in your life, and encourage you to master your life rather than be a victim of circumstances.

Mercury Conjunct Moon/Jupiter 0 deg 53 min

You are very talented in areas that require inter-cultural or cross-cultural communication, and you can succeed in areas that involve you with ethnic, cultural, ancestral, or historical roots of contemporary life. You communicate well and have an aptitude for psychology and the humanities.

Mercury Conjunct Saturn/Pluto 0 deg 36 min

You are very good at detailed work and you can excel as a specialist in your chosen field of work. You have excellent mental concentration and you love to discover how things work. Because you focus so intensely on the object of your study, you sometimes miss general principles and concepts. You will succeed in areas that demand the specialized capabilities that you have to offer.

Saturn Conjunct Moon/Venus 1 deg 29 min

You are loyal to the ones you love. You dislike pretentiousness and glamour, and you are very responsible and dedicated to your family members and loved ones. Sometimes you are quiet or even shy, but do not be so quiet that you fail to show people that you care about them. Others may misinterpret your quietness as coldness.

Neptune Conjunct Venus/Mars 1 deg 53 min

You are very idealistic and dreamy in romantic affairs, and inclined to be disappointed when you gradually awaken from the dream. Still, it is not impossible that you can meet the person who is just right for you. You are also artistic, creative, and imaginative.

Pluto Conjunct Mars/Uranus 1 deg 53 min

You can work with extreme speed and force. This capability can help you excel in sports and competitions, and enable you to achieve a great deal in any area that you apply yourself to. Sometimes you can be pushy and aggressive without realizing it; if you want others to cooperate with you, you will need to take a more gentle approach. Always try to apply your dynamic energy in a way that is not harmful to others.

Moon-Jupiter-Saturn 40th Harmonic (40=5x8)

You have a good sense of form and design, and consequently you can excel in areas ranging from simple crafts to architectural design. You are very good at making things with your hands and you have an uncanny ability to visualize things clearly before you make them.

Mercury-Mars-Jupiter 43rd Harmonic

You have very good mental aptitude for many different subject areas. You are good at understanding both the general concepts and principles as well as specific details. You have a constructive mind that enables you to apply your understanding in practical ways. You can do well in an academic setting, as well as in the business and commercial world.

Venus-Jupiter-Uranus 59th Harmonic

You have a good sense of rhythm, and you have talent in music and/or dance. You also have a good sense of humor, and when you are in a good mood, you put everyone in a good mood. Very often you are the life of the party.
